Subject: 310/2002: Importation of trial products

Dear Valerie and Martin

We are busy reviewing the affidavit and will provide you with the signed document as soon as possible. I had a meeting with Dr Scholtz this morning and we have scheduled a meeting with our Import/export manager to discuss the importation of the cigarettes. It will be in order if the products are shipped directly to us. Please confirm that you will use World Courier for the shipment of the products (we would prefer this).

I will let you know as soon as everything is sorted out with the importation of the products.

Kind Regards
Marlize**********
